- **Timeline**

- The map below shows all points where the broom on each of the street sweepers was operating by month.

Street Sweeper Update

- Updated Timeline: NOD plan to purchase five new sweepers. Three are expected to be delivered and operational by the end of January 2017. One is expected to be delivered and operational by the end of March 2017. The last one is expected to be delivered and operational by the beginning of July 2017.

Street Sweeping Plan Update

- When the new program is fully operational by July 2017, we will have purchased five new sweepers (replacing four and adding one new sweeper) and three new tandem trucks. We will have five sweeper operators, five laborers, and five truck drivers. Residential streets are expected to be swept 12 times per year, weather dependent (totals 1,638 curb miles per month). Staff will perform hand cleaning in chronic problem areas as well as sweeping routes. They will focus on litter and dumping sites. Our goal will be to coordinate with the Greenspace Program, weekly blitzes, and private partners. Hand cleaning/dirt truck crews will cover the entire city once per month.

Gateways & Greenspace Maintenance.

- **GOAL:** Implement Greenspace Masterplan, and follow existing street sweeping, Greenspace, and Friday Blitz clean up schedule to ensure that all 52 neighborhoods have been serviced. Continue to work with other city Departments to capture total City owned greenspace.
- **Greenspace Maintenance Plan: Updated.**
The following chart shows how the Department is planning to cover Greenspace Maintenance on a weekly basis across the city.

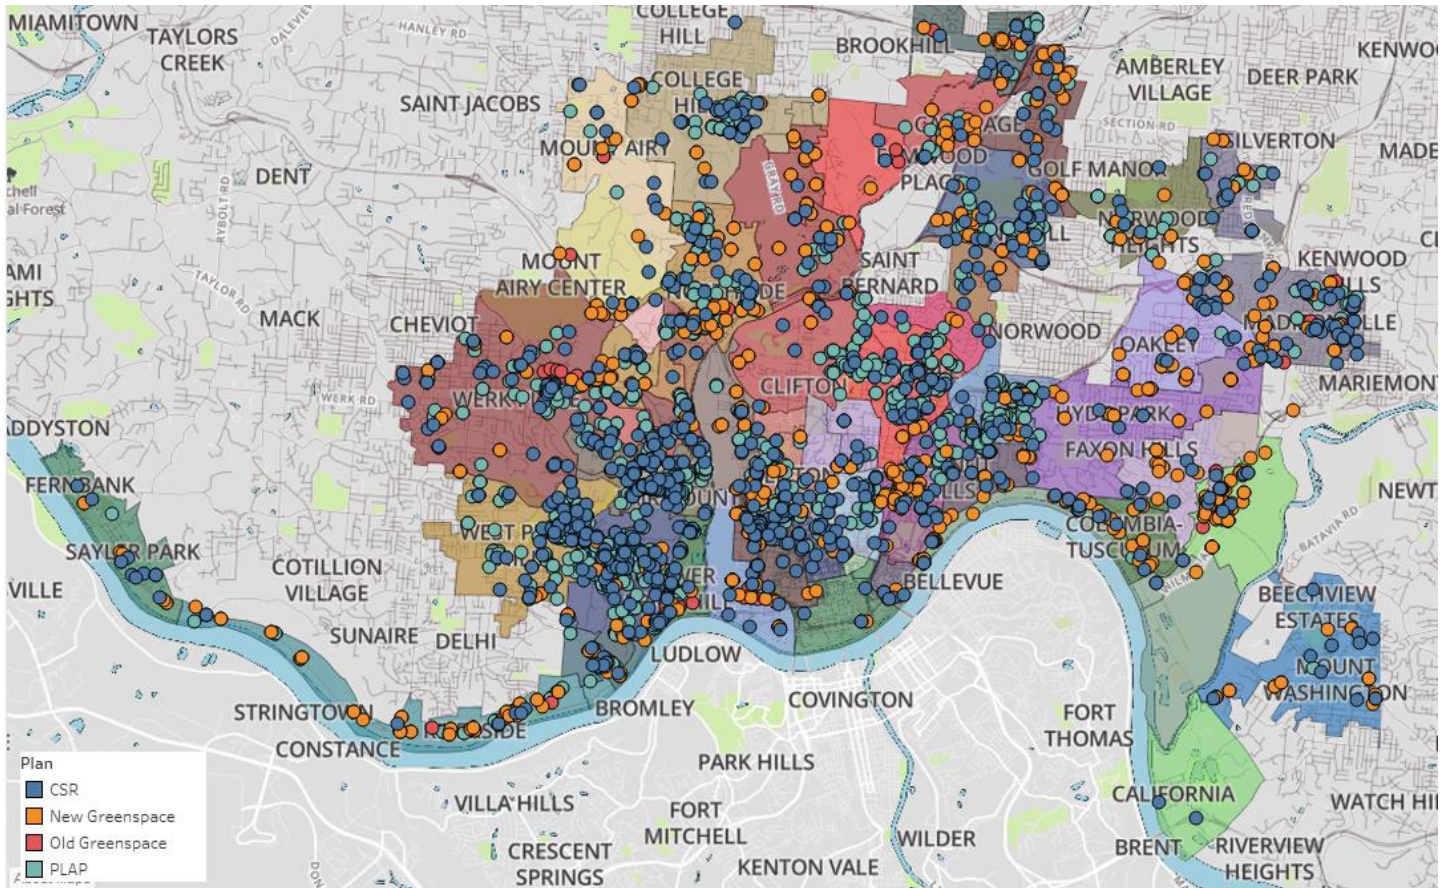

2016 GREENSPACE PLAN (after)							
Begin Date	2016 East Greenspace Locations	2016 West Greenspace Locations	Total Hours/WK	Current Capacity	Difference	Difference/Day	# Workers Needed

Private Lot Abatement Program.

- **GOAL:** Abate 1,250 lots by the end of the fiscal year. Maximize collection revenue for both citation fees and abatement costs. Create a strategy for future lot abatement and lot maintenance by investing strategically and maximizing resources, including revenue collections strategy.
- **Key Performance Indicators (data)**

- Citation Data.**

**PLAP: Budget, Revenue, & Collections Update.**
